| | h headline |
| | i letters page |

4 Complete the text with the words in the box.

hide let imagination tricks mind solve work

My brother's really keen on doing magic (1) And he always asks me if I (2) watching him while he practises. I always (3) him practise on me, because he's actually quite good at it, so it's fun! He can (4) a coin behind my ear, for example and I have no idea how it got there! I never manage to (5) out how he does it. But he has a great (6), so he has some great ideas. He watches a lot of magicians on TV, too and somehow he manages to (7) some of their most impossible magic acts. I'm sure he'll be a famous magician when he's older!
